

Chapter 5: Look & Find

Age 3–6 | Beginner–Early Developing | Parent/Teacher Guided

The reference uses outdoor sensory walks, kites and an underwater-style nature scene. This worksheet encourages purposeful visual attention: look for one target and then identify it.

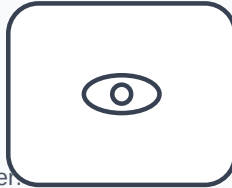

What to do

Take a short, calm walk or look around an outdoor space. Say one target. Let the child

1.

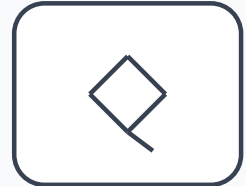

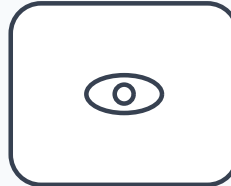

Child: point, choose, or circle the answer.

2.

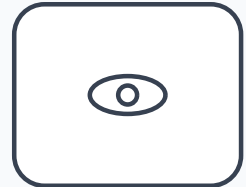

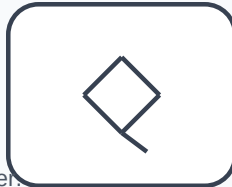

Child: point, choose, or circle the answer.

3.

Child: point, choose, or circle the answer.

Keep the target concrete and visible. Follow the child's interest when possible; the reference emphasizes following the child's lead during sensory play.
