

Chapter 6: Build & Pretend

Age 3–6 | Beginner–Early Developing | Parent/Teacher Guided

The construction-site activity in the reference encourages building, imaginative play, communication, sound-making and peer play. This worksheet supports choosing an action before or after pretend play.

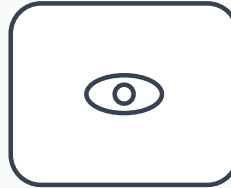

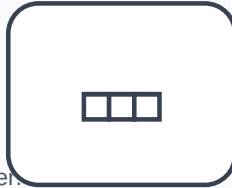

What to do

Set up a small construction scene with blocks, boxes or toy vehicles. Ask, "What should

1.

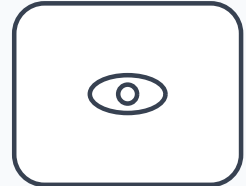

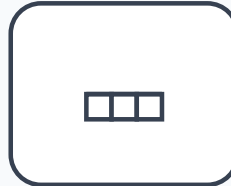

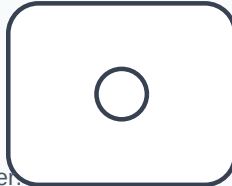

Child: point, choose, or circle the answer.

2.

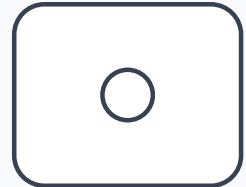

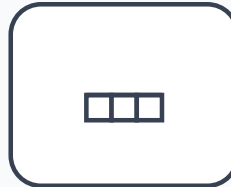

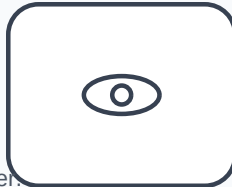

Child: point, choose, or circle the answer.

3.

Child: point, choose, or circle the answer.

Pretend play should stay flexible. Let the child choose how to use the materials. The goal is functional communication and shared play, not one 'correct' way to play.
